Medical Care for the Unvaccinated: Comply or Die! - LewRockwell

By Gary D. Barnett : 7-9 minutes

“Power’s not a chalice. It’s a hammer. And it only does one thing. Power smashes. The subtext of all power is extortion. It’s always the threat of force, of imprisonment, the threat of death. Always.”

~ Adam Skelter, [Prophet Margin: The Benefit of the Doubt](#)

For some time, the U.S. population has been consumed by the notion that socialized ‘health’ and medical care is a sacred right of all. This mistaken ideology has led to the creation of a medical system that is administered and fully controlled by the criminal state. The bulk of society has an instilled fear of being without what is mistakenly called ‘health care,’ and tends to make life decisions based primarily on this premise. Today, most of the entirety of this system is based on the dispensing of prescription drugs, continuous treatment, and surgery; which is germ theory idiocy, and the costs have become astronomical and completely unaffordable to the masses. This of course was a designed outcome, and one meant to enrich the few at the expense of all by creating a dependency on the state. It has been a grand success for the medical and pharmaceutical industries, and the political class, but a deadly nightmare for the rest of society, just as all

socialistic endeavors tend to be. They are designed after all not to help the people, but to control them.

In order for this socialistic system created by government to work as planned, dependency on the state is mandatory, so universal participation was sought and solidified. Now, everything is controlled at the state level through regulation, restriction, monetary control, incentives, and welfare. Concerning treatment for what is erroneously called 'Covid,' all is based on national and international protocols. In fact, there are 354 pages of treatment protocols issued by the CDC, and none offer or require vitamin or nutrition needs to "Covid" patients in ICU. This is a serious problem that can and will have devastating results.

We are in the midst of a fake pandemic that has been used to advance the mandating of very deadly poisonous injections falsely called 'vaccines.' This has been the state's main agenda all along, and yesterday's collusive FDA approval of Pfizer's and BioNTech's so-called 'Covid vaccine' was a shot in the arm for tyranny at the hands of the fascist political and pharmaceutical systems. 'Vaccine' mandates began within minutes of the FDA approval in New York, California, Puerto Rico, and other areas, and will likely aggressively continue.

Those that choose not to take this toxic concoction will now be the number one enemy of the state, and will be specifically targeted. This phenomenon is already evident. The evil Biden wasted no time in starting this process, and made this statement yesterday:

"I'm calling on more companies in the private sector to step up with vaccine requirements that will reach millions more people," Biden said in remarks at the White House. "If you're a business leader, a nonprofit leader, a state or

local leader, who has been waiting for full FDA approval to require vaccinations, I call on you now to do that — require it. It only makes sense to require a vaccine to stop the spread of Covid-19.”

There will be dire consequences coming for the unvaccinated, beginning with measures meant to restrict movement, travel, employment, food shopping, entry into many businesses including restaurants and entertainment venues, and of course medical care.

Many hospitals, doctor’s offices, and clinics are already turning the unvaccinated away or requiring masks and mandatory testing in order to receive treatment. This will be a classic “Catch-22” situation to be sure, especially for those that have serious health problems, surgery needs, or other forms of intensive care needs, and do not want to comply with the ludicrous CDC protocols. The message that will be given to all those that refuse to take the poisonous injection for the ‘medical’ establishment will be —Comply or die!

With so many getting these ‘Covid vaccines,’ and the FDA’s criminal approval of the Pfizer and BioNTech injections, many more will likely line up for the shot as government, employers, and businesses require more ‘vaccination.’ Given the toxins, poisons, nano-particles, messenger RNA, dangerous adjuvants, spike proteins, graphene oxide, and other deadly ingredients in these injections, the sickness in the ‘vaccinated’ could escalate out of control.

This will bring much sickness and death to those already ‘vaccinated,’ and a campaign of extortion and murder against all those unvaccinated. Targeted martial law and full blown medical martial law are coming soon. Forced ‘vaccination,’ more lockdowns and quarantine, mass

restrictions, papers showing proof of vaccine, more mask wearing, and heavy enforcement of these mandates seem imminent at this time.

Medical care will be reserved for the compliant sheep, which could be a death sentence, and disallowed for the unvaccinated minority. Getting sick will become much more dangerous, so taking Vitamin D, Zinc, and other proper supplements, and adhering to a healthy diet and lifestyle are imperative in this totalitarian environment.

Going to a hospital will be akin to playing Russian roulette, especially if diagnosed with 'Covid.' The intent of most every medical center is to treat all for 'Covid,' which will bring them large payoffs, so their incentive is to treat every patient for this never isolated and fraudulent 'virus.' Once diagnosed, the horrendous protocols will immediately begin, and the results will be devastating.

The medical system and hospitals will become centers for death, and the vaccinated and unvaccinated will both be harmed, but care for the unvaccinated will be flatly refused in most cases. Life-saving surgeries are already being denied in some parts of this country to the unvaccinated, and this will escalate dramatically going forward. This is pre-meditated murder sanctioned and demanded by the state.

For those intelligent souls that continue to refuse to be 'vaccinated,' prepare to be shunned, tattled on, monitored, threatened, locked out of society, refused service, harassed, and possibly worse, but do not back down. Without a deadly 'Covid' injection, at least you can remain healthy and free from that poison, but once you take it in order to appease your masters, who knows the horrors you may endure. In order to be free, one must act free,

and voluntary submission to tyranny negates any right to freedom.
